SUBJECT: CLASS SIZE

Madrid Waddington Central wishes to maintain class sizes consistent with Commissioner's Regulations, sound educational practices and financial means. Class size will be determined by the nature of instructional activity, the nature of the student group, course demand, mandates and financial resources.

Regular classes, ten (10) students or below at the secondary level and eighteen (18) students or below at the elementary level will be reviewed by the administration and guidance and reported to the Superintendent. Elective classes below six (6) students will be reported to the Board of Education for evaluation.
